RELATED EXPERIENCE

Graduate Assistant, Student Engagement Center

07/24–05/26

University of Kansas · Part-time, 0.5 FTE

- Coordinated the development and implementation of campus food, clothing, and item drives that support the closets and pantries within the Student Engagement Center
- Enhanced a workshop through data collection for KU students, staff, and faculty on food insecurity and the Campus Cupboard
- Served on the planning committee for Kansas Drag Showcase, coordinated marketing design, and assisted with event coordination
- Managed Campus Cupboard inventory, stocked shelves, coordinated food runs, and maintained cleanliness and organization of the pantry
- Supervised one undergraduate student employee, focusing on inclusive programming materials

Graduate Intern, Office of Student Success

06/25–07/25

Rockhurst University · Part-time, 0.5 FTE

- Assisted with drop-in academic advising sessions for 45 incoming students, guiding them through their academic interests and pursuits
- Supported the daily operations of Summer Orientation, Advising, & Registration (SOAR) event days to ensure a student-centered experience
- Aided the rebrand of Student Accessibility Services (SAS) through the creation and distribution of new marketing materials
- Adapted and presented a training on LGBTQ inclusion for supplemental instruction and tutoring student staff to the Student Success Center team of 8 staff members

Undergraduate Research Assistant

08/22–04/24

University of Illinois Chicago · Part-time, 0.5 FTE

- Developed and designed an independent research project (n = 400) under faculty mentorship on the mental health effects of geographic location on LGBTQ individuals
- Secured a \$2,500 scholarship and an additional \$500 of research funding from an undergraduate research scholarship program
- Presented research findings at UIC's Undergraduate Research Forum
